Celebrating 40 Years of Twins Baseball

Cover design by Dave Swanson, Gopher State Litho, Minneapolis, MN

IN MEMORY OF CALVIN GRIFFITH 1911-1999

Calvin Robertson Griffith was instrumental in bringing Major League Baseball to the state of Minnesota when he moved the Washington Senators to the Twin Cities for the 1961 season, providing Minnesota with their first major league sports team. Thirty-nine seasons later, the Minnesota Twins have given the state countless baseball memories by making three World Series appearances, winning in 1987 and '91, hosting All-Star Games in 1965 and '85, and becoming an integral part of the communities of the five state area. This move provided fans across the region a chance to celebrate 40 seasons of Twins baseball, in the year 2000.

Calvin passed away from complications of a kidney infection in Florida on October 20, 1999, at the age of 87. Calvin was involved in baseball for over 60 years and was known not only for his keen eye of baseball talent but his deep passion for the game.

Born December 11, 1911, in Montreal, Quebec, Calvin's father passed away at an early age which led him to be raised by his uncle, and Hall-of-Famer, Clark Griffith, who was the owner of the Washington Senators. He began his baseball career as the bat boy for his uncle's team.

After spending time operating minor league teams in Chattanooga, TN, and Charlotte, NC, he returned to the Senators in 1941. He eventually became president of the club in 1955 after his uncle passed away and five years later, citing dwindling attendance in Washington, announced on October 26, 1960, that his team would move to the Twin Cities. By 1965 the Twins had won their first American League pennant and Griffith was named major league executive of the year.

Griffith, citing salary escalations and economic challenges, decided to sell the team to Twin Cities businessman Carl Pohlad on September 7, 1984. In the 24 seasons as president and principal owner, the Twins were 1,930-1,887 with three American League West Division championships (1965, '69 and '70), one American League pennant (1965), and one All-Star Game (1965) while attracting 25,664,104 fans. Also known for his sharp-eye for baseball talent, Griffith was responsible for Minnesota fans being able to watch the likes of Hall of Famers Harmon Killebrew and Rod Carew, Bob Allison, Tony Oliva, Bert Blyleven, Jim Kaat, Gary Gaetti, Kent Hrbek, Frank Viola, and Kirby Puckett among others.

For the 2000 season, the Twins will wear a symbolic patch on their uniforms to pay tribute to Griffith.

The information contained herein is copyrighted and prepared for the use of members of the print and broadcast media. The 2000 Minnesota Twins Media Guide is dedicated to the memory of former Twins' owner Calvin Griffith.

CARL R. POHLAD
Owner

Carl Pohlad purchased majority ownership of the Minnesota Twins from Calvin Griffith on June 22, 1984, and assumed control of the team on September 7, 1984. He purchased the team with a sense of community responsibility and a feeling that major league sports, particularly baseball, are vital to the standard of living any community must strive to achieve. Not only did Mr. Pohlad keep the Twins in Minnesota, but he has been committed to placing a quality, winning team on the field as has been exhibited by two World Championships.

Mr. Pohlad is a member of two of the most important ownership committees: the Major League Baseball Executive Council and the Player Relations Committee Board of Directors. He was also recently elected vice president of the American League.

A civic and business leader in the Twin Cities, Mr. Pohlad is president and director of Marquette Bancshares, chairman of the board of Mesaba Holdings Inc. and director of Champion Air and Genmar Holdings Inc.

To the Pohlad family, involvement in the community is extremely important. Mr. Pohlad is active on numerous civic boards benefiting young people. He is a founding member of the Board of Directors of the Boys' and Girls' Clubs of Minneapolis and is a member of the advisory council at Johns Hopkins Department of Orthopaedic Surgery. Pohlad serves as a Trustee of the Hugh O'Brian Youth Foundation, and since 1989 has been a member of the Horatio Alger Association of Distinguished Americans which provides scholarships for graduating high school seniors. Pohlad also serves the Twin Cities community through his work as a board member of Methodist Hospital and Health System Minnesota. He has also been a member of the National Ethnic Coalition of organizers since 1990 and is on the Board of Governors of the Saddat Peace Foundation.

Carl and his wife, Eloise, live in Edina, MN, and have three sons, all of whom serve on the Twins' nine-member Executive Board.

JERRY BELL
President

Named the third president in the history of the Minnesota Twins in January, 1987, T. Geron (Jerry) Bell is in his fourteenth year as chief executive of the club. It is in that position that Bell is responsible for the business activity of the club. He is also a member of the Twins Community Fund Board of Directors.

Bell joined the Twins after serving as executive director of the Metropolitan Sports Facilities Commission, which operates the Metrodome. He joined the MSFC as assistant executive director upon the commission's inception in 1977.

Prior to becoming involved in professional sports, Bell's background was in the park planning and construction business.

His professional activities include Board of Directors for the Twins Community Fund, member of Major League Baseball Enterprise Board, Professional Baseball Association Committee/Baseball Operations Committee, Minneapolis Downtown Council Board of Directors and Indianhead Scouting/BSA Committee. Past activities have included three terms as member of the North St. Paul/Maplewood School Board, including five years as chairman; member of the Minneapolis Chamber of Commerce Communications Committee; Board of Directors for the Greater Convention and Visitors Association; member of the Executive Committee of the Minneapolis/St. Paul Final Four organizing committee and former consultant to the Miami Dolphins, Ltd., of the NFL.

Jerry and his wife, Phyllis, who make their home in North St. Paul, MN, have two daughters.

TERRY RYAN

General Manager

Terry Ryan was named vice president/general manager on September 13, 1994. He is responsible for the team the Twins put on the field (40-man roster and 25-man major league roster), negotiating contracts and overseeing the coaching staff, and entire baseball department, including the traveling secretary.

Prior to becoming general manager he was vice president of player personnel, a position he assumed on September 23, 1991. In that role, Ryan was responsible for scouting and evaluating all talent at the major league level and assisting in personnel decisions. He was also responsible for signing all major league players with less than three years of major league service.

Ryan, 46, began his professional baseball career with the Twins in 1972 after being drafted in the 35th round out of Parker High School in Janesville, Wisconsin. He pitched in the Twins' minor league system for four seasons, posting a 14-3 record, including 10-0 in 1973, before an arm injury cut his career short. In 1975, he enrolled at the University of Wisconsin-Madison and graduated with a degree in physical education in 1979.

He returned to baseball in 1980 as Midwest scouting supervisor for the New York Mets, a position he held for six years before being named the Twins' scouting director in January, 1986. As scouting director he was responsible for drafting current Twins Eddie Guardado, LaTroy Hawkins, Denny Hocking, Matt Lawton and Brad Radke.

A graduate of Hamilton College in New York where he majored in French, Smith was one of the first participants in Major League Baseball's Executive Development program in 1980. He was hired by the White Sox as assistant director of minor leagues and scouting, a position he held from 1981-82.

SAVES RULE

Credit a pitcher with a save when he meets all three of the following conditions:
(1) He is the finishing pitcher in a game won by his club; and
(2) He is not the winning pitcher; and
(3) He qualifies under one of the following conditions:
(a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or
(b) He enters the game with the potential tying run either on base, at bat or on deck; or
(c) He pitches effectively for at least three innings.

No more than one save may be credited in each game.

It is considered a 'blown save' when a pitcher who has entered a game in a save situation departs with the save situation no longer in effect because he has given up the lead. If the save situation still exists when he leaves the game, he is not charged with a save opportunity. And, if he has not given up the lead when he leaves the game, even though the save situation may no longer exist, he is not charged with a save opportunity.

DID YOU KNOW???

. . . that only once in their 39 seasons have the Twins won three games in a row by the same score. They beat Boston on September 3, 1987, 2-1, and followed with 2-1 victories over Milwaukee the next two days, all three of which took place in the Metrodome. The Twins have twice lost three games in a row by the same score. They were 2-1 games, July 21-23, 1967 at California, and 4-3 decisions, May 2-4, 1988, the first two coming at Milwaukee and the third at Baltimore. There have been 14 other occasions when three straight Twins' games wound up with the same score, but with different winners.

. . . that the longest home run ever hit by a Twin was estimated at 520 feet. Harmon Killebrew crushed the three-run blast off California righty Lou Burdette, which landed in the sixth row of the upper deck at Metropolitan Stadium on June 3, 1967. The ball cracked the seat, which was later painted orange to commemorate the event.

DID YOU KNOW???

. . . that the longest home run ever hit in the Metrodome was hit into the second deck in right field by Milwaukee's Ben Oglivie off Brad Havens, July 27, 1983, a 481-ft. shot. Pedro Munoz holds the record for the longest homer to center field, 473-ft., off California's Mark Langston, April 5, 1994. Mark McGwire hit the longest boomer to left field, 475-ft., off Frank Rodriguez, June 9, 1996. The honor for the longest homer ever hit by a Twin in the Metrodome, however, belongs to Kent Hrbek, who smashed a 480-ft. shot to right field off Texas' Charlie Hough, September 9, 1984.

DID YOU KNOW???

. . . that this is the 39th season in which the major leagues have a 162-game schedule. They played 154 games until the expansion season of 1961, when the Twins' franchise moved from Washington, D.C. to the Twin Cities. After the prolonged strike in 1994-95, clubs played an ammended 144-game schedule in 1995.

THE GEMINI CLUB

A great deal of credit for the sale Twins group and season tickets is due to the efforts of the club's volunteer ticket-selling arm, the Gemini Club. Under the direction of Twins' vice president of sales Jim Denn, the Gemini Club continues to assist in the team's sales and marketing efforts.

Currently numbering 22 members, Bob Martin of MacroSoft is the president of the Gemini Club. Most of these members are Twin Cities businesspersons, but the ranks include individuals from out-state communities as well. Martin is also assisted by a four-member board of directors, and the sales force consists of four teams of up to five members each.

Each of these Gemini Club members volunteers his or her time in an effort to assure that Major League Baseball will always be a viable commodity in our Upper Midwest market. Each of them, too, was selected after a careful screening process based on a determination of the qualifications needed to be a success in this unique venture. Members who reach their goals receive among other things a trip to a major league ball park each summer and an American League pass.

Persons interested in becoming Gemini members can contact the Twins Sales Office at (612) 375-7454.

DID YOU KNOW???

. . . that the Twins drew 303,071 fans in six openings in Toronto in 1993, an average of 50,512 fans per opening. That bettered the club-record total of 302,104 the Twins drew in Toronto in six openings in 1992. With the exception of Toronto, the best total attendance the Twins have ever drawn in a city on the road is 269,217, which they attracted in six openings in Baltimore, also in 1993.

PINCH-HITTER RULE

A player shall be considered a pinch-hitter only if he enters the game as a substitute batter, and then only on his first time at bat, which must be before he becomes a fielder. (If the team bats around and a pinch-hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch-hitter during that second time up.)

A substitute hitter for a designated hitter is both a pinch-hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

DID YOU KNOW???

. . . that Rich Rollins, Zoilo Versalles, Tony Oliva, Don Mincher and Harmon Killebrew each homer in the 7th inning, June 9, 1966 vs. Kansas City. The five home runs in an inning is an American League record

DID YOU KNOW???

. . . that on September 22, 1968 vs. Oakland at Metropolitan Stadium Cesar Tovar became the second major leaguer ever to play all nine positions in one game. He is also the only position player to be the starting pitcher in Twins' history, as he tossed a scoreless first inning, including a strikeout of Reggie Jackson. He went on to catch, play first base, second base, shortstop, third base, left field, center field and right field for an inning apiece.

DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of the designated hitter for that game.

The designated hitter is 'locked' into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn immediately becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher must then assume the batting of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

DID YOU KNOW???

. . . that on 22 occasions Twins catchers and pitchers have combined to nab three would-be basestealers in a game, but only once, May 29, 1982, have they ever nailed four runners. Ken Griffey, Graig Nettles, Bobby Murcer and Willie Randolph were caught by catcher Sal Butera that day; Nettles and Murcer as part of a Twins' tripleplay.

TWINS ON WORLD WIDE WEB

The Minnesota Twins Baseball Club officially launched its own Web site in April of 1996. The objective of twinsbaseball.com is to provide fans with timely Twins' news and information and do so in an entertaining fashion. The Web site includes player profiles, career statistics, the 2000 schedule, ticket information, upcoming special events and promotions, a complete minor league section, press releases, feature stories, and a section devoted to the Twins' community efforts. **Twinsbaseball.com** also provides the opportunity to purchase game tickets through the Twins' On-line Ticket Center, or buy merchandise at the Twins' Official On-line Pro Shop. This season at twinsbaseball.com the Twins will broadcast all 162 Twins' games live via Yahoo Broadcast. A live Web-cast, a Twins Rewards program, and Twins' E-mail will also be available at **twinsbaseball.com** during the 2000 season.

UMPIRE INTERVIEW POLICY

American League umpires shall cooperate with the news media concerning controversial plays, protested games and unusual incidents, ejections, etc. Any unusual plays should be explained to the press box, usually between innings. Umpires are available for post-game interviews relative to unusual or controversial happenings. The senior umpire is in charge of such interviews and will act as a spokesman for the 'crew'.

EARNED-RUNS RULE

The determination of earned-runs is as follows:

'An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.'

Until 1969, a reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DID YOU KNOW???

. . . that Roy Smalley and Chili Davis are the only two Twins ever to hit home runs from both sides of the plate in the same game. Smalley connected lefthanded in the third inning off Boston's Rob Woodward and righthanded in the seventh off Joe Sambito, May 30, 1986 in the Metrodome. Davis hit his first righthanded in the sixth inning off Kansas City's Chris Haney and lefthanded in the eighth off Steve Shifflett, October 2, 1992 at Kauffman Stadium.

Voted on by the Twins Community Fund Board of Directors, the award recognizes a Twins' player whose work and dedication on behalf of the ballclub benefit communities throughout the Upper Midwest.

Ron Coomer is the winner of the 1999 Carl R. Pohlad. Since joining the Twins in 1995, Ron has made Minnesota his home state and has been an active member of the community. For his on the field performance, Ron has a donation program with $125 per extra base hit which is on pace to raise an additional $5,000 for the Children's Miracle Network and Gillette Children's Hospital. HISTORY OF BASEBALL IN THE TWIN CITIES

» **1884**: Minneapolis and St. Paul receive franchises in the Northwestern League, which folds that September. The St. Paul team then joins the Union Association but lasts just two weeks, then disbands.
» **1894**: Minneapolis becomes a charter member of the Western League, formed by Charles Comiskey.
» **1895**: Comiskey purchases the Sioux City, SD, franchise and moves it to St. Paul.
» **1896**: Nicollet Park is constructed as home of the Minneapolis Millers.
» **1897**: Lexington Park is constructed as home of the St. Paul Saints.
» **1900**: Comiskey moves his franchise from St. Paul to Chicago, where, as the White Sox, they win the American League pennant in 1901.
» **1902**: Both the Minneapolis and St. Paul franchises join the American Association for its inaugural season in 1903.
» **1903**: St. Paul wins the first of its nine American Association pennants with an 88-46 record.
» **1910**: Minneapolis wins the first of its nine American Association pennants with a 107-61 record.
» **1913**: Minneapolis and St. Paul are both awarded franchises in the newly formed Northern League. St. Paul will move to LaCrosse, WI in mid-season and the Minneapolis team folds at the conclusion of the season.
» **1920**: The Saints post a 115-49 record to win the Association pennant by 28½ games over Louisville.
» **1938**: Nineteen year-old Ted Williams of the Millers wins the American Association batting title with a .366 average.
» **1951**: Willie Mays hit .477 for Minneapolis in the season's first 35 games to earn a promotion to the New York Giants, the team he would lead to the National League pennant that same year.
» **1954**: In hopes of attracting a team the Greater Minneapolis Chamber of Commerce-appointed committee picks Bloomington as the site for a major league stadium. Shortly thereafter the committee purchases 164 acres for $478,899.
» **1955**: Groundbreaking for Metropolitan Stadium begins on June 20. Total stadium construction cost is $10.3 million.
» **1956:** The Millers begin play in Met Stadium on April 24.
» **1957**: The Saints begin play in newly built Midway Stadium in St. Paul.
» **1960**: American League owners, meeting in New York, approve the move of the Washington Senators to the Twin Cities and new expansion teams for Los Angeles and Washington on October 26. Calvin Griffith then moves the Senators to Minnesota and re-names them the Twins, ending Minnesota's seven-year search for a major league team.
» **1961**: The Minnesota Twins play their first game on April 11 at Yankee Stadium, defeating New York 6-0...they play their inaugural game in Minnesota on April 21, losing to the new Washington Senators 5-3.
» **1965**: Led by American League Most Valuable Player Zoilo Versalles, Minnesota clinches their first pennant with a club-record 102 wins, but lost the World Series to the Los Angeles Dodgers in seven games.
» **1969**: Minnesota returns to post-season play by winning the newly-formed American League West Division. They are led by league MVP Harmon Killebrew, who hit 49 home runs with 140 rbi and 145 walks, but they could not overcome the Baltimore Orioles, who beat them in three games in the American League Championship Series.
» **1970**: The Twins win their second consecutive A.L. West title, but are again swept in three games by Baltimore in the Championship Series.
» **1977**: Rod Carew makes a spirited run at the .400 mark, falling just short at .388, but he captures the attention of the nation with a brilliant season that earned him American League MVP honors.

ABOUT THE UNIFORMS

The 2000 season marks the 14th year in which the Twins will wear their current uniforms. The home jerseys are white with navy blue pinstripes and a "Twins" script in scarlet on the front and an interlocking "TC," representing the team's logo that was used from 1961-86, on the left sleeve. In mid 1996, names were added to the back of the home uniforms. The road uniforms are grey with navy pinstripes and block "Minnesota" in scarlet on the front and the Twins' primary logo on the left sleeve and names in navy on the back. The 1997 season marked the first time the Twins had an alternative or "Sunday" jersey. The jerseys are navy blue with red piping and block in scarlet on the front and the Twins' primary logo on the left sleeve and names in white on the back. In 2000, the Twins will have an alternative home jersey which has the "Twins" script on the front and an alternative road jersey which has the block "Minnesota" on the front.

The hat, navy blue with a scarlet script "M" on the front, is used for both home and road games. Some subtle changes were made in 1994 including the removal of the script "M" from the stirrups and the lightening of the blue, which has been made more standard to better match the blues of other teams.

For the 2000 season, the Twins will wear a 40th season patch on the right sleeve commemorating 40 years of baseball in Minnesota. Also in tribute to former owner Calvin Griffith, the Twins will wear the letters "CRG" on the left sleeve and the "TC" cap, which has not been worn since 1986, will be the exclusive hat for the 2000 season.

PLAYER LIMITS

Major league rosters are limited to 25 active players from Opening Day through August 31. Teams may expand their active rosters to as many as 40 players on September 1. During the course of the season, a team may place as many players as they want on the 15-day disabled list, during which they must remain inactive for a minimum of 15 days (no maximum). Teams may also place as many players as they need to on the 60-day emergency disabled list, where they must remain for a minimum of 60 days, but only when the club is at the maximum of 40 players. Players carried on this list are not counted in 40-man roster limit. If placed or transferred there after 60 days prior to the final game of the season, the player must remain there through post-season.

CHAMPIONSHIP QUALIFICATIONS

A player must have a minimum of 502 plate appearances (at-bats, walks, hit-by-pitch, sacrifices, sacrifice flies and catcher's interference) to qualify for a major league batting-percentage championship.

If a batter falls short of 502 plate appearances, he might still be determined the batting champion if by adding a sufficient number of at-bats to his record to bring his plate appearances up to 502, his average based on these additional at-bats is still the highest in the league. His actual average, however, would be the official.

For the ERA title, a pitcher must pitch a minimum of 162 innings.

. . . that the last time the Twins/Senators won a World Series road game was October 7, 1925, behind Walter Johnson in Game One vs. Pittsburgh, a span of 14 straight losses (3 in '25, 2 in '33, 3 in '65, 3 in '87 and 3 in '91).

25th Anniversary Team

In 1986, the Minnesota Twins celebrated 25 years of baseball in Minnesota. As part of that celebration, the Twins held a 25th Aniversary Reunion on July 31-August 3. The weekend began with a banquet in which the Silver Anniversary Team, voted by fans, was announced (see above). The weekend concluded with an Old Timers game, featuring the 1965 World Series Twins playing a team consisting of other former Twins, and a pre-game ceremony honoring the Silver Anniversary Team.

Fans were treated to a Camera Night in which they were able to take pictures with their favorite former Twins and received a framable poster which was a collage of the team. Fans also voted for various "best's" throughout the first 25 years. Below are some of those "best's".

Best Nickname: Mudcat Grant
Best Pitching Performance: Kralick's No-Hitter
Best Home Run: Killebrew's 520 ft shot
Favorite Bob Casey Announcement: Kirby Puckett
Best Minnesotan to Play for Twins: Kent Hrbek
Best One Season: Rod Carew (1977)
Best Pitching Season: Jim Kaat (1966)
Best Baserunner: Rod Carew
Most Majestic Sight: Killebrew Homer
Best Trade: Cesar Tovar for Gerri Arrigo

In the year 2000, the Minnesota Twins will celebrate 40 years of baseball in Minnesota. A 40th season Anniversary Weeknd will be celebrated on August 11-13 when the Twins host the Toronto Blue Jays. As part of the festivities, an All-Time Twins Team, voted by the fans, the media and former players, will be announced on August 12.

ROBERTO CLEMENTE AWARD

Since 1970, Major League Baseball has annually presented an award (originally known as "The Commissioner's Award") which recognizes the player who best exemplifies the game of baseball, sportsmanship, community involvement and the individual's contribution to his team. The award, now sponsored by John Hancock Financial Services, recognizes those individuals who truly understand the value of helping others.

In 1972, following the tragic death of Roberto Clemente, the award was renamed to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer, was killed in a plane crash New Years Eve, 1972, delivering food and medical supplies to earthquake victims of Nicaragua.

Early in the season, each team will be asked to submit three candidates to MLB. A local panel formed by John Hancock Financial Services and made up of local community representatives will select a nominee from each club. A panel of baseball dignitaries, including Vera Clemente and Commissioner Alan H. (Bud) Selig, will then select a winner from the list of 30 nominees. The winner of the Roberto Clemente Award will receive a $25,000 donation from John Hancock Financial Services for the local charity of his choice at an on-field ceremony during the World Series. John Hancock will also make a cash contribution to the Roberto Clemente Foundation and to each nominee's local charity.

Past winners include Tony Gwynn (1999), Sammy Sosa, Willie Mays, Lou Brock, Rod Carew, Ozzie Smith, Dave Winfield, Cal Ripken, Jr., Kirby Puckett and others.

VENEZUELA

The Twins Venezuela Baseball Academy enters its sixth year in Bejuma, Carabobo, Venezuela. The Twins facilities are among the best in Venezuela, including a new 3,000 square foot dormitory and clubhouse building which opened in February, 2000. The facilities include two large sleeping rooms, locker room, training and exercise areas, and office space.

The club provides housing and meals to its professional players in a mini-camp prior to Spring Training and during a Fall Instructional League in October. Amateur players are invited to attend workouts in 30-day programs throughout the season.

The Twins will participate in the three-old Venezuelan Summer League, a 10-team rookie league operating from mid-May through mid-August. Since opening the Academy in 1995, the Twins have signed 31 players including several top prospects in the minor league system, including Luis Rivas, Juan Rincon, Ruben Salazar and Luis Rodriguez.

DID YOU KNOW???

. . . that the Twins' farm system has produced 35 batting champions, 49 home run leaders and 52 rbi champions over the 39 seasons since 1960. Included are two 'Triple Crown' winners: outfielder Andy Kosco with Bismarck-Mandan of the Class A Northern League in 1964, and outfielder Moe Hill of Wisconsin Rapids in the Class A Midwest League in 1974. Infielder Ruben Salazar of Elizabethton in the Appalachain Rookie League just missed winning the 'Triple Crown' in 1999.

COLLEGE SCHOLARSHIP PLAN

The College Scholarship Plan is a program designed to assist players in financing their education at a college or university. Each major league team agrees to contribute money, as arranged between the team and player, upon signing with the club. The scholarship includes tuition, room and board, and books for a specified number of semesters at an academic institution. The Minnesota Twins have participated in the plan since 1962.

Minnesota Twins Community Fund

A Tradition of Giving Back

As the ballclub celebrates its 40th season of baseball in Minnesota it also recognizes and celebrates four decades of being an active community partner.

Though the faces have changed, the club's community involvement has continued to break ground and provide assistance to thousands of youth, families and organizations in the Upper Midwest through the Minnesota Twins Community Fund (MTCF).

With a mission to provide support to nonprofit organizations working to strengthen individuals, families and the community the MTCF has distributed more than $1,000,000 in grants to Minnesota nonprofit organizations, since 1991.

In addition, the MTCF has invested more than $500,000 to strengthen boys' and girls' baseball and softball programs and facilities through Rookie League and R.B.I. (Reviving Baseball in the Inner City) and the Molitor Fields for Kids programs.

Molitor Fields For Kids

The MTCF, Northwest Airlines and Pepsi, are providing financial support via matching grants to small nonprofit organizations and local governments that operate baseball and/or softball programs.

Named in honor of St. Paul-native and future Hall of Famer Paul Molitor, the program helps communities and organizations help themselves, enhances fields and improves safety for participating youth.

As of the spring of 2000, it will have distributed at least $250,000 in matching grants to 60 organizations in about 50 communities.

Commitment to Youth Baseball

Baseball is such a rich part of our country's history and the game is locked in our memories from our childhood and throughout our adult lives. To ensure that their will be another Kirby Puckett, Brad Radke and Ron Coomer and to ensure that these memories continue, the MTCF has invested over 70 percent of its resources towards its youth baseball efforts.

Included in the ballclub's youth baseball efforts is a group of partners whose respective organizations bring incredible knowledge and commitment to today's youth and community. The Minnesota Twins Community Fund, The Carl and Eloise Pohlad Family Foundation, The Minneapolis Park and Recreation, The Saint Paul Park and Recreation and the Boys & Girls Club of the Twin Cities are working to ensure the rich tradition of baseball is passed on to our youth.

Highlighting the Twins youth recreation efforts are the club's Rookie League and R.B.I. programs, which introduces the game of baseball and softball to urban boys and girls. Founded in 1993 by Twins stars Kirby Puckett and Dave Winfield, the Twins Rookie League is designed for youngster's ages 8-12. Meanwhile the Twins RBI League was formed in 1995 and provides baseball and softball opportunities for kids age 13-17.

Players Giving Back

With the ballclub's strong commitment to its community and the development of the game of baseball the Twins community involvement is further emphasized in our clubhouse.

Since 1961, players such as Harmon Killebrew, Tony Oliva, and Rod Carew have create the groundwork of what it means to be a major league baseball player and the importance of giving back. Twins Greats such as Kirby Puckett Kent Hrbek, and Bert Blyleven have added to the assembly of Twins players that produced for the people in the Upper Midwest, on and off the field.

The ballclub's pledge of being an active member in our community is also the assurance that the community involvement from its players continues to increase. Each season players are encourage to identify local nonprofit organizations as designated charities for their families to work along with to impact that lives of the people in the Upper Midwest.

TWINS' RETIRED NUMBERS

HARMON KILLEBREW

One of the greatest home run hitters of all time, Harmon Killebrew will forever be remembered to Twins fans as the 'Killer' for his prolific clouts. A member of the Twins from their inaugural Minnesota season in 1961, Killebrew hit 573 career home runs, 475 of them in his 14 seasons with the Twins, to place him 5th on the all-time home run list and second only to Babe Ruth in American League history. He hit over 40 home runs on eight occasions and 30-or-more 10 times while driving in 100-plus runs nine times.

Killebrew was the American League's Most Valuable Player in 1969 when he hit 49 home runs with an amazing 140 rbi and 145 walks, all team records that still stand. He was elected to the Baseball Hall of Fame on January 10, 1984, the first Twin to receive that honor. He had his number 3 formally retired August 11, 1974.

ROD CAREW

No Twins fan will ever forget the graceful power of Rod Carew's hitting stroke. Nor will any baseball enthusiast be able to forget the summer of 1977, when he made his determined run at the untouchable .400 mark, because, just as Killebrew embodied the power of the game, Carew represented the finesse. He was a career .328 hitter in his 19 major league seasons and was the winner of seven American League batting titles, all during his twelve years with Minnesota. Carew hit .300 or better 15 consecutive seasons and finished his career with 3,053 hits, which places him 18th among the all-time hit leaders and makes him one of only 23 players to collect 3000-or-more career hits.

Carew, who won his only American League Most Valuable Player award in 1977 when he finished with a .388 average, was elected to the Baseball Hall of Fame on the first ballot, January 8, 1991. He had his number 29 retired July 19, 1987.

TONY OLIVA

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins' player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times, and his 220 career home runs rank third all-time among Twins. If not for knee problems which cut short his career, Oliva would have been a certain choice for the Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He now works as a hitting instructor in the Twins' minor league system and scouts for the club. He had his number 6 retired July 14, 1991.

KENT HRBEK

Kent Hrbek grew up in the shadows of old Metropolitan Stadium in Bloomington and was destined to become a Minnesota Twin. The big kid who played the game as hard as anyone and had more fun than most treated Twins fans to much excitement from the day he donned a Twins uniform and homered in the 12th inning at Yankee Stadium to give the Twins a win on August 24, 1981, until the last game of his career, August 10, 1994, when he came up with the bases loaded three times against Boston as the fans were on their feet every at-bat.

Hrbek, who was runner-up to Cal Ripken for American League Rookie of the Year in 1982, made his only All-Star appearance that season. He was most appreciated by his teammates and Twins' fans for his upper-deck power and agility and for being one of the best ever to play first base in the majors. He is among club leaders in nearly every offensive category, but may be best-remembered for his Game Six grand slam in the 1987 World Series or for his tag of Atlanta's Ron Gant in Game Two of the 1991 World Series. He had his number 14 formally retired August 13, 1995.

KIRBY PUCKETT

Considered by most to be the greatest Twin ever, 'Puck' was baseball's jewel for 12 incredible seasons. His story was about being a hero from day one when he became the ninth player in history to collect 4 hits in his first game, May 8, 1984 at California. The dramatic entrance proved to be just the first of many heroic performances leading up to his most shining moment on October 26, 1991 during Game Six of the World Series versus Atlanta. He went 3-4, made a leaping catch off the plexiglass robbing Ron Gant of a sure extra-base hit and became the ninth player to end a World Series with a home run on the final pitch off Charlie Leibrandt in the 11th inning to force a seventh game.

The 10-time All-Star, 6-time Gold Glove Award winner and 5-time Silver Slugger Award winner had his career cut short when he awoke with blurred vision caused by glaucoma on the morning of March 28, 1996. He was later forced to announce his retirement due to irreversible damage to the retina in his right eye on July 12. He retired as the Twins' all-time leader in hits (2,304), doubles (414), total bases (3,453), at-bats (7,244) and runs (1,071).

Besides his endless on the field accomplishments, Puckett is also one of the game's greatest community leaders and was given Major League Baseball's Roberto Clemente Man of the Year Award in 1996. He had his number 34 formally retired May 25, 1997.

JACKIE ROBINSON

Jackie Robinson broke baseball's color barrier when Branch Rickey brought him up to the Brooklyn Dodgers in 1947. He brought a dynamic style of play to the game and terrorized the base paths. Robinson also proved to be a an excellent hitter and a superb defensive infielder. He was voted the National League MVP in 1949 when he hit a a league-leading .342 and drove in 124 runs. He batted .311 in his 10-year career and set several fielding records for second baseman.

In conjunction with the 50th anniversary celebration of Robinson breaking baseball's color barrier, interim Commissioner Bud Selig announced on April 15, 1997 at Shea Stadium that Major League Baseball will retire his uniform number 42 in perpetuity.

The Minnestota Twins officially retired his number on May 23, 1997. In addition, the Twins contributed $50,000 to the Jackie Robinson Foundation going to scholarships for students of color. The foundation also agreed to match dollar-for-dollar scholarships awarded by the Kirby and Tonya Puckett Scholars Program at the University of Minnesota.

MINNESOTA TWINS MEDIA POLICIES

CREDENTIALS for accredited news media are available upon request and may be sent in care of Minnesota Twins Media Relations Department, 34 Kirby Puckett Place, Minneapolis, MN 55415. Credentials may also be requested by phone (612) 375-7471, or by FAX (612) 375-7473, but the request must be made no later than four hours prior to game time. Credentials may be picked up at the Press and Player Will Call window 1 1/2 hours before the start of the game or in the Media Relations department before that. The Will Call window is located on Kirby Puckett Place, adjacent to the Twins' ticket windows. Daily and season credentials will be issued only to working members of the media and must be displayed at all times while in the Metrodome. After picking up credentials at the Will Call window, media must enter through Gate F, located on the corner of Kirby Puckett Place and Fifth St. The press box is located on street level directly across from Gate F.

PRESS TICKETS: A limited number of media tickets are available, in front of and above the press box, for sports and news personnel on a first-come, first-served basis and must be requested no later than 2:30 p.m. for night games, 5:00 p.m. of the preceeding day for day games and 5:00 p.m. on Friday for weekend games. After those times, no further requests will be accepted. We ask that each request be limited to two (2) tickets with each accompanied by a check to cover the price of the tickets ($21 apiece for lower club and $12 apiece for upper club), while those ordering over the phone must pay by cash or check (no credit cards) when picking up the tickets. All tickets will be placed at the Press and Player Will Call window the day of the game no earlier than 1 1/2 hours before game time. No tickets will be mailed out in advance.

INTERVIEWS: Most interviews may be conducted on the field during batting practice where the manager, players and coaches are usually available, as long as the interview does not interrupt their pre-game routine. Members of the media must stay in foul territory between first and third base. In-depth interviews that require more time with a player should be pre-arranged through the Media Relations department. Reporters and broadcasters must leave the field, with photographers reporting to their assigned photo positions, no later than one-half hour before game time.

CLUBHOUSE ACCESS: The Twins' clubhouse will be open to media with clubhouse credentials until 30 minutes prior to and no longer than 10 minutes following each game. All live television broadcast shots must be conducted outside the clubhouse. On occasion of a team meeting, the clubhouse will be closed until the conclusion of the meeting. The training room and weight room are off-limits to everyone except the manager, coaches, players and Twins' officials. The dugout is off limits during the game for everyone except the manager, coaches, players, trainers and certain club officials, in accordance with American League rules.

PRESS BOX: Space is available for accredited members of the media on assignment only. The lower level is reserved for writers and broadcast reporters, while the upper level is divided into broadcast booths for live coverage by radio and television networks. Phones and SportsTicker News Service are available. To reach the Media Relations office and the Twins' dining room, take the press box stairs down two flights to Lower Level 2 and take a right. Proceed past the Twins' clubhouse and enter through the wooden doors.

PRESS ROOM: The Twins' dining room, located on Lower Level 2 near the Media Relations office, is available for pre-game meals to media with appropriate credentials, for a $8 charge, approximately two hours prior to, and up until, game time. Complete note sets containing statistical information will be available in the dining room, as well as the press box.

PHOTOGRAPHERS: Due to a lack of on-field photo spots, the first and third base photo bays are limited to the two local papers, the two wire services and DomeVision cameras. Certain exceptions may be made depending on space availablity. An alternative for photographers are the two upper deck photo baskets. Photographers assigned to the on-field locations should remain in the photo bays at all times during the game. If necessary, photographers should leave between innings only. Photos are allowed during batting practice, but photographers must remain in foul territory, between first and third base.

PARKING: There is no on-site parking available at the Metrodome, but municipal ramps and parking lots are available near the stadium.

THE METRODOME

- Opened on April 3, 1982, the Hubert H. Humphrey Metrodome has been home to the Twins for the past 17 years. It was the third domed facility in baseball and remains the only air-supported structure among the 28 in use.
- The Metrodome is the only stadium in the world to play host to the World Series (1987 and 1991), baseball's All-Star Game (1985), the Super Bowl (XXVI, 1992) and the NCAA Final Four Basketball Tournament (1992).
- Construction began on December 20, 1979 and was built by the state of Minnesota at a cost of approximately $68 million.
- Located on a 20 acre site in the Industry Square district of downtown Minneapolis, the stadium has an interior volume of 60 million cubic feet and is covered by 10 acres of Teflon coated fiberglass 1/32" thick. It is 195 feet from the highest point of the interior ceiling to the playing field.
- It takes 250,000 cubic feet of air pressure per minute to keep the roof inflated.
- The field's AstroTurf was installed in January, 1995 and is removable.
- The Metrodome includes 7,600 retractable seats in rightfield, the largest such section of any stadium in the world. It can be converted from baseball to football use, and vice versa, in four hours.
- An additional 900 seats were added prior to the '94 season by moving both dugouts closer to the field and adding three rows closer to field level. Section 113 in the right field corner was also added to increase **total capacity for baseball to 48,678**.
- A retractable curtain displaying the banners from the Twins' championship years was hung in right-center prior to the '96 season.
- A Plaza was added along Kirby Puckett Place on the west side of the Metrodome prior to the 1996 season. The area offers tents for groups of 100 to 1,000 and features a wide variety of food and beverage items. The plaza serves as a gathering spot for fans before games and hosts a pregame concert series before every Friday night home game.
- The pitcher's mound is powered by an electric motor and can be raised and lowered at the push of a button. The mound weighs 23,000 pounds and is 18 feet in diameter.
- Field dimensions are 343' down the leftfield line, 385' to the leftfield power alley, 408' to dead centerfield, 367' to the rightfield power alley and 327' down the line in right. The fence in leftfield and centerfield is 7' high and the one in rightfield is 23' high, including 16' of plastic tarp installed in 1983. Leftfield had a 6' plexiglas extension from 1983-93, but it was removed prior to the '94 season.

IT HAPPENED IN THE DOME

- **November 19, 1981:** Roof deflated due to tear caused by heavy snow.
- **December 30, 1982:** Roof deflated due to tear caused by heavy snow.
- **April 14, 1983:** Roof deflated due to tear caused by heavy snow and the scheduled game with California was postponed. It is the only postponement in Metrodome history.
- **May 4, 1984:** Oakland's Dave Kingman hit ball into one of roof's drainage holes in a 4th inning at-bat. The ball never came down and Kingman was awarded a ground rule double.
- **April 26, 1986:** Roof suffered slight tear due to high winds, causing a nine minute delay in the bottom of the seventh inning vs. California.
- **May 30, 1992:** Detroit's Rob Deer popped out to shortstop Greg Gagne in consecutive at-bats with both balls richocheting off the ceiling.
- **July 5, 1992:** Minnesota's Chili Davis hit a towering fly ball to deep rightfield vs. Baltimore's Rick Sutcliffe. The ball bounced off a speaker in play and caromed to second baseman Mark McLemore, who made the catch in shallow right field to rob Davis of a sure home run.
- **August 29, 1992:** A power outage in the third inning caused a 23 minute delay vs. New York.

METRODOME GROUND RULES

- Foul poles are in fair territory.
- Ball hitting roof or speakers in fair territory; if caught by fielder, batter is out and base runners advance at their own risk.
- Ball hitting roof or speakers in fair territory shall be judged fair or foul in relation to where it hits the ground or is touched by a fielder.
- Any ball that hits the speaker or roof in foul territory is a foul ball; if however the ball is caught by fielder, the batter is out and base runners advance at their own risk.
- A ball that hits speaker in foul territory and ricochets back into fair territory is still a foul ball; if the ball is caught by fielder, the batter is out and base runners advance at their own risk.

TWINS' 2000 BROADCASTERS

HERB CARNEAL

The dean of American League radio broadcasters, Hall of Famer Herb Carneal celebrates his 39th year as 'Voice of the Twins' in 2000.

Herb was the recipient of the Ford C. Frick award in 1996. The award is baseball-broadcastings highest honor and presented annually to broadcasters who make major contributions to baseball and its fans.

Hired away from the Baltimore Orioles in 1961, where he was part of the play-by-play team for five years, Carneal has been behind the microphone for all but the first of the Twins' 39 seasons. He has become an institution not only in the state of Minnesota but throughout the vast reaches of the Upper Midwest to which his voice carries.

Before joining the Orioles in 1957, Carneal served as sports director of a Philadelphia station where he broadcast Athletics and Phillies games.

Carneal and his wife, Kathy, live in Edina, MN, and have one daughter.

JOHN GORDON

The 1999 season is John Gordon's 14th as the Twins' radio counterpart to Herb Carneal. Before coming to the Twin Cities prior to the 1987 season, Gordon was part of the New York Yankees broadcast crew from 1982-86.

The Detroit native began his broadcasting career with the Spartanburg Phillies in 1965 after graduating from the University of Indiana. After five years with Spartanburg, Gordon joined the Baltimore Orioles where he remained until 1973, when he accepted the broadcasting job at the University of Virginia to become the voice of Cavaliers football and basketball. From there he joined the Yankees' Class AAA affiliate Columbus Clippers from 1977-81, before moving to New York in 1982.

John and his wife, Nancy, have two grown children and make their home in Apple Valley, MN and designate countless time and effort in support of the Fellowship of Christian Athletes.

DAN GLADDEN

Former Twins' fan favorite Dan Gladden begins his first year in the Twins radio broadcast booth filling in for Herb Carneal for all road games.

Gladden, 42, played in the major leagues for 11 years and retired from professional baseball following the 1994 season. He finished his career batting .270 with 203 doubles, 40 triples, 74 home runs, 446 rbi and 221 stolen bases in 1,197 games.

He made his big league debut in 1983 with the San Francisco Giants, with whom he played for three seasons, and was named to both Topps' and *Baseball Digest* All-Rookie teams in 1984. He was acquired along with pitcher David Blakely by Minnesota in exchange for pitchers Jose Dominguez, Bryan Hickerson and Ray Velasquez on March 31, 1987 and spent five years with the Twins before signing as a free agent with Detroit in 1992. He spent his last year in professional baseball playing for the Yomiuri Giants of the Japanese Central League in 1994. From there, Gladden was a major league advance scout for the Colorado Rockies from 1986-98 and a minor league roving instructor for San Francisco in 1999.

Always known as a fiery competitor, Gladden was a key ingredient in the Twins' 1987 and '91 World Championships. His grand slam home run in Game 1 of the '87 Series vs. St. Louis, capped a seven-run 4th inning and he scored the game-winning run in the 10th inning in Game 7 of the '91 Series vs. Atlanta.

Dan, wife Janice and daughters Ashley and Whitney, make their home in Eden Prairie, MN.

BERT BLYLEVEN

This will be the Dutchmen's fifth full season as color commentator for the Twins and MSC. Blyleven, who pitched in the major leagues for 23 years, including 11 seasons with the Twins, retired following the 1992 season.

The native of Zeist, Holland broke in with the Twins in 1970 at the age of 19. He retired at the age of 42 and is only the second major league pitcher of all-time to win a major league game before his 20th birthday and after his 40th birthday. Blyleven also pitched at the major league level with Texas, Pittsburgh, Cleveland and California. As a Twins starter, Bert had 345 career starts and a combined record of 149-138, 3.28 ERA and still holds the club record for strikeouts (2,035), shutouts (29) and complete games (141). He posted double figure wins in 17 different seasons. As a member of the Twins, he became a 20-winner in 1973 (20-17, 2.52) while leading the American League with 40 starts and 25 complete games, 9 shutouts and 325 innings, still a Twins record for a season. One of his most memorable moments occurred in 1977 when as a member of the Texas Rangers, Bert tossed a no-hitter defeating California 6-0 at Anaheim Stadium.

On baseball's all-time list, Blyleven ranks third in strikeouts (3,701), eighth in games started (685), ninth in shutouts (60), 13th in innings (4,970), 22nd in wins (287) and 31st in ERA (3.31). He was voted A.L. Rookie Pitcher of the Year in 1970 and A.L. Comeback Player of the Year in 1989. Bert pitched in two All-Star Games, three Championship series and two World Series with the Twins and Pirates. Achievements that should put him in Baseball's Hall of Fame.

While nurturing a reputation as a practical joker on the field and in the booth, Bert has demonstrated a serious off the field when it involves community service. He continues to work with a host of charities for a variety of worthwhile causes including the Ronald McDonald House.

Bert and his wife, Gayle, and their sons Royle, Tom and David make their home in Ft. Myers, FL.

DICK BREMER

Dick Bremer begins his 18th season with the Twins as a broadcaster for games televised on WCCO-TV and Midwest Sports Channel.

Bremer, who graduated from St. Cloud State in 1978, began with the Twins in 1983 broadcasting games for Spectrum Sports. He remained there until 1985 and re-joined the team in 1987, working a two-year stint for TwinsVision. He has worked with WCCO and MSC since 1989.

The Staples (MN) High School grad is also the voice of University of Minnesota basketball, football and hockey and and has called games for University of Iowa basketball, University of Minnesota volleyball and the Minnesota North Stars in his 21-year career.

Dick and his wife, Heidi, along with their son, Erik and daughter Hannah, make their home in Rogers, MN.

DID YOU KNOW???

. . . that in 1989 Kirby Puckett won his first batting title with a .339 average, while leading the league in hits for the third consecutive season. He joined Ty Cobb and Tony Oliva as the only American League players to lead the league in hits for three consecutive years.

TWINS' SPRING TRAINING MEDIA POLICIES

SEASON CREDENTIALS (including parking): Issued only to daily newspaper reporters who'll be covering the club, home and road, and to area radio and TV sports reporters and camera crews who will be covering on a regular basis.

All other media entities will be credentialed on a per-game basis (including parking) and a letter from the person's editor must be mailed or faxed (941-768-4251) to Sean Harlin.

Transferral of working press credential will result in the termination of coverage privileges for the individuals involved.

FIELD ACCESS: Allowed during batting practice and other workouts during the early training period, but once the game schedule begins the field must be cleared at the end of visitors' batting practice. All reporters must confine themselves to foul territory between 1st and 3rd base. Workouts begin daily at approximately 9:30 a.m.

DINING ROOM ACCESS: Available only to those media credentialed to cover that day's game. This room will open at 11:30 a.m. for day games (5:30 p.m. for night games) and will close at gametime.

Working photographers will be permitted in the press dining room on the same basis as other reporters.

PRESSBOX ACCESS: Permitted only to members of the Baseball Writers' Association of America and to coverage reporters of area daily newspapers and radio and TV stations. Weekly newspapers can be accommodated only on a space-available basis.

CLUBHOUSE ACCESS: Limited to members of the Baseball Writers' Association of America and to coverage reporters of area daily newspapers and radio and TV stations. The clubhouse will be open prior to and following workouts during the pre-schedule workout period with certain exceptions. During the game schedule, the clubhouses will be closed at the end of batting practice until five minutes after games.

Clubhouse access is limited to the player-locker area and the manager's office. The training room, exercise room and equipment rooms are off-limits to all media.

No cameras are allowed in the clubhouse.

INTERVIEWS: Players will accommodate when possible where on-field interviews are concerned, but are not available for in-studio appearances or appearances on their own time.

RADIO & TV: No cameras will be allowed in the clubhouses. Feature material should be filmed on the field during batting practice. Post-game interviews should be conducted on the field for TV; radio may be done in the clubhouse.

CAMERA POSITIONS: Several camera positions are available for shooting during the game, but no cameras will be allowed on the field itself. The center field position will be for game television cameras only, as will the low home position. High and low, 1st and 3rd base will be credentialed on a space-available basis. Any photographers shooting from the field photo pits will only be allowed to leave or change positions between innings.

PHOTOGRAPHERS: No photographers will be allowed on the field during the game or in the clubhouse at any time. There are at least four positions from which photographers may shoot during games.

On the first two days of batterymen workouts and the first two days of full-squad workouts, photographers will be allowed the freedom of the field during the exercise period, but must stay in foul territory during the actual workout times. On all other days, all media personnel must stay in foul territory and no farther down the lines than 1st and 3rd bases.

PHOTO DAY: Will be on Tuesday, February 29, beginning at 8:00 a.m., sharp. All photographers seeking file head shots are asked to cooperate by doing this on Photo Day, when the players will be made available in an assembly line fashion to accommodate all accredited news services.

AUTOGRAPHS: Professional journalists do **NOT** ask for autographs. Any media members asking for autographs will have their credentials revoked.

TICKETS: May be purchased by coverage personnel out of a block held for this purpose. These are priced at $12 and $9 each and must be for personal use only and advance notice is recommended to increase chance of availability.

FOR ADDITIONAL INFORMATION: Call Sean Harlin (941-768-4213) or write Lee County Sports Complex, 14100 Six Mile Cypress Parkway, Fort Myers, FL 33912.

SPRING TRAINING RECORDS

This is the tenth year that the Twins are training at Lee County Sports Complex after having trained at Orlando's Tinker Field from 1936-90.

The Twins' minor league training drills were switched from Melbourne to Terry Park in Fort Myers in 1990 and the entire organization was united at the Lee County Complex in 1991.

Complete spring training team statistics have been kept only since 1965. The various categorical highs since then have been as follows:

LEE COUNTY SPORTS COMPLEX

The Twins will spend their tenth spring training season at the Lee County Sports Complex in 2000. Spurred by the state-of-the-art facility, the Twins won the 1991 World Series after enjoying their most successful spring training camp in history as they posted a record-high 21 wins. In the eight years the Twins have drawn at total of 780,331 fans for 143 dates, an average of 5,457 per game.

Located south of the city of Fort Myers near Interstate Highway 75, the Lee County Complex is home to the Twins and their six minor league affiliates. It features five full and two half-fields, the centerpiece of which is a 7,500-seat stadium in which the major league Twins play their exhibition games and conduct some of their daily workouts. The main stadium was renamed Bill Hammond Stadium late in the 1994 spring season in honor of the County Commissioner who was instrumental in getting the complex built for the Twins.

The Sports Complex is the home to two of Minnesota's minor league affiliates in 1999, housing both the Miracle of the Class A Florida State League and the Rookie level Gulf Coast League Twins.

Complete home and visiting clubhouses are included in the stadium proper, and complete facilities for the minor league teams are contained in a building adjacent to their playing fields.

The major league club's administrative offices are located in the stadium, with the minor league department's offices in the building adjacent to their fields.

The complex also features two soccer fields, a softball complex and other athletic facilities for use by Lee County organizations, plus an eight-acre water-management lake for public fishing.

The Twins trained in Orlando, Florida, from 1936 (with the exception of the war years of 1943, '44 and '45, when they conditioned in College Park, Maryland) to 1990, and their minor league clubs moved to Terry Park in Fort Myers in 1990, after headquartering in Melbourne, Florida, from 1964-89.

The Lee County Sports Complex, a $14,000,000 undertaking, was completed in February, 1991. Lescher and Mahoney, an architectural and engineering firm based in Tampa, Florida, were the lead architects for the project, with design assistance from Ellerbe-Becket of Kansas City, Missouri. Case Contracting Company of Plant City, Florida, was the contractor.

The Twins and Lee County have a twenty-year agreement for use of the complex.
